Wisconsin.....	458	54	493	48	35	72
Wyoming.....	72	6	71	7	-1	9

-Represents zero.

*Statistically significant at the 90-percent confidence level.

Note: A 90-percent confidence interval is a measure of an estimate's variability. The larger the confidence interval in relation to the size of the estimate, the less reliable the estimate. For more information see "Standard errors and their use" at <www.census.gov/hhes/www/p60_236sa.pdf>.
